

sugar cookie foot scrub

Makes ½ pint

RECIPE FROM: [So Let's Hangout](#)

PREP TIME: 5-10 minutes

⅔ cup granulated white sugar

⅓ cup packed brown sugar

½ cup olive oil

1 Tbsp vanilla extract

1 half pint glass jar

ribbon or twine

label

WHISK sugars until completely combined in a medium-sized bowl.

ADD olive oil and vanilla extract and mash together with a fork until everything is fully combined.

PACK mixture into glass jar.

TIE a decorative bow around the mouth of the jar with festive ribbon or twine.

CREATE your own label or use [this printable version](#).

ADHERE label to the lid and/or front of the jar, placing a piece of clear packing tape on top of the label to help adhere it and make it more "water resistant."

STORE in a cool, dry place for up to 2-3 months.
